Most Popular Manual, Seal only, Tray Sealers

The perfect solution for take-out and ready-to-eat foods!

The **CiMa-Pak tray sealing system** is the ideal packaging system for both cold and warm food. The trays are sealed with a clear, antifog, peelable polyester film that provides an airtight and spill-proof seal, separating each compartment of the tray, making it ideal for take out. The sealed tray will **keep your food fresh longer** and enhance the presentation.
